

Adding a Paradigm in Tabroom

July 2016 Edition

1. Create a tabroom account for yourself if you haven't already.
2. Click on your email address at the top of the page.
3. Look for the Judging section on the right. It looks like this:

4. Click on Paradigm.
5. Type or copy and paste your paradigm here and click on Save Paradigm when you are finished. That's it.
6. *Advanced users can insert a hyperlink to another online source for their paradigm. If you choose this option, check it to make sure it works.
